To Whom It May Concern:

It is my privilege to write this letter of recommendation for Dave Vumback and Empire Construction. I know Dave as a businessman and person. Dave is hardworking, honest, and fair. He can be counted on to meet his obligations in a timely manner. His work is of high quality and he treats all customers with respect.

I have had an opportunity to socialize with Dave and his family and find them to be down to earth and sincere. I am sure Meriden's citizens and staff will enjoy working with Dave and Empire Construction. I recommend Empire Construction to you without any hesitation or concern.

If I can be of further assistance, please do not hesitate to call me at 203-314-8915. Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink that reads 'Mark Benigni'.

To Whom It May Concern:

Re: Empire Construction, LLC

Empire Construction, LLC has successfully completed our office's residential roofing projects for over ten years. Roofing scope has included low and flat roofs, installation of various types of roofing membranes, fascia and soffit repair and replacement, chimney pointing and replacement, flashing, attic ventilation, etc.

Pending weather conditions, projects are started and completed on time. Proper protection is provided to maintain the integrity of roof while work is underway.

The quality of his work has been very good and passed required Town of Hamden Building Department inspections for code compliance.

Mr. Vumback has maintained good relations with property owners and been responsive to resolving any possible issues with his work.

His change orders have been as required to properly complete the projects per quoted alternate specifications.

Please contact me if any further information is required.

Sincerely,
